Please describe work, volunteer or life experiences that you have had that would prepare you for being a member of this group.

With what you know about this area, what do you see as the three most significant issues this board/committee/commission will need to address in the next two years?

Personally, with the current knowledge you have of this area, what two or three suggestions/ideas would you like to see discussed?

What one or two contributions do you think you would make, in the short term (first few months) and in the long term (after a year)?

Do you have any potential conflicts of interest serving on this board?
